I
I built a wall, I built it up when I was young
I didn't know, how could I know I built it up?

It's all gone
The family has moved on and I don't know if it's your fault or my fault
It's all gone
I know it now that I did wrong, but I don't know if it's your fault or my fault

You
You took a loan, you bought a house and built it up
I'm sure you know I felt alone. I couldn't stop

It's all gone
The family has moved on and I don't know if it's your fault or my fault
It's all gone
I know it now that I did wrong, but I don't know if it's your fault or my fault

It's your fault
