

## A Place For Us

Pardyalone

Why is it so hard to love you?  
I don't know if we can make through

She don't like when I hold all my feelings in  
I stay high to hold my emotions in  
We fucked last night, and we've been fighting ever since  
This is not what lovers do, this is not what love has been  
She don't like when I hold all my feelings in  
I stay high to hold my emotions in  
We fucked last night, and we've been fighting ever since  
This is not what lovers do, this is not what love has been, I

Had to go switch up and do something different  
I couldn't get caught on these Percs  
Depression been hittin' me, I feel distant  
Trust me, bae, I don't know my worth  
And you know what's worse? Finding love then fucking up  
I don't think I'm good enough  
I got used to being broken, now I trust no one, I'm hopeless (It's al  
right)  
Maybe love just ain't built for us, maybe love is just killing us  
Maybe it's you are the reason why I feel so numb, maybe I just need a  
break

Why is it so hard to love you? (Hard to love and love and love and lo  
ve)  
I don't know if we can make through (She the one to love)  
Why is it so hard to love you? (I tried to run but found a place for  
us)  
I don't know if we can make through (I tried to run but found a place  
for us)

She don't like when I hold all my feelings in  
I stay high to hold my emotions in  
We fucked last night, and we've been fighting ever since  
This is not what lovers do, this is not what love has been  
She don't like when I hold all my feelings in  
I stay high to hold my emotions in  
We fucked last night, and we've been fighting ever since  
This is not what lovers do, this is not what love has been

She talking 'bout "Fuck me", no, fuck you  
I hate you, I love you, I hate that I still love you  
She talkin' 'bout "Fuck this, fuck that", fuck me then  
I hate that I still want you  
I'm numb  
I haven't found someone that loves me unconditionally  
Unconditionally

Why is it so hard to love you? (Hard to run, I found a place for us)  
I don't know if we can make through (I tried to run but found a place  
for us)

Why is it so hard to love you? (So numb, you keep me up)  
You left me scars inside the place you left for us
