

## Popped Off

Pardyalone

I just, vibe till I can't feel my motherfuckin' face  
I just stop when I drop to where it pulls up face  
Cop, cop, cop, I just cop a little  
I just drop, drop, drop, till I blow the fuck up  
Spent ten bands on my mic and marine jeans  
Text your man that you comin' home with me  
Cop, cop, cop, I'm lockin' it up  
Top, top, top, top, 'cause I don't wanna fuck

I'ma pour a cup up on my own, no he ain't bottle  
Pop pink strap and I'm back on the throttle  
And I don't string a tag, give a back, fuck a model  
And that's just how I feel, I had to muscle up  
They like, "Fuck how I feel, take two stans on my face"  
I said, "Fuck keep it real, need a pint for the day"  
I shot, shot, shot, I'm drinking it up  
Back at the top, top, top, I don't mix 'em up

I just, vibe till I can't feel my motherfuckin' face  
I just stop when I drop to where it pulls up face  
Cop, cop, cop, I just cop a little  
I just drop, drop, drop, till I blow the fuck up  
Spent ten bands on my mic and marine jeans  
Text your man that you comin' home with me  
Cop, cop, cop, I'm lockin' it up  
Top, top, top, top, 'cause I don't wanna fuck

Burgundy Molly's hands make me do right  
But you by my side when I'm too high  
It's too much, I been, I been, I been, I been  
I've been gone for a while (I've been gone for a while)  
My songs emo (my songs emo)  
And my heart broke down (and my heart broke down)  
I've been gone for a while (I've been gone for a while)  
My songs emo (my songs emo)  
And my heart broke down (my heart broke down)  
I've been gone for a while (yeah, yeah, gone for a while)  
Had me gone for a while

I just, vibe till I can't feel my motherfuckin' face  
I just stop when I drop to where it pulls up face  
Cop, cop, cop, I just cop a little  
I just drop, drop, drop, till I blow the fuck up  
Spent ten bands on my mic and marine jeans  
Text your man that you comin' home with me  
Cop, cop, cop, I'm lockin' it up  
Top, top, top, top, 'cause I don't wanna fuck

Blow the fuck up
