

## Pray For The Rain

Pardyalone

All my friends want me back home  
Where I'm going they cannot go  
I'm on this good old lonely road alone  
Anxiousness is all I have  
A thousand more panic attacks  
[?] does bare the fruit they sold

Pray for the rain mama  
And for me  
'Cause your only boy's been chasing dreams so long  
It's hard to breathe

She said  
Please promise me  
Reach out to me  
If you ever feel like you're alone  
She said  
I promise you  
No matter what you'll do  
You'll always have a bed inside this home

I can't go back thinking I'm the same kid  
All my friends got married and they got kids  
Am I the only one left that didn't grow up  
I think they'll be fine if I didn't show up  
I'm a loner it's fine  
You'll get yours and I'll get mine  
I just hope everything's alright

Pray for the rain mama  
And for me  
'Cause your only boy's been chasing dreams so long  
It's hard to breathe  
And she said

She said  
Please promise me  
Reach out to me  
If you ever feel like you're alone  
She said  
I promise you  
No matter what you'll do  
You'll always have a bed inside this home
