

# Vampire

Pardyalone

She says she's in love  
Demons in my head I'm lost  
I said I think she's the one  
So don't forget the way I want, you ooh  
But I don't think you'll care for me when I'm gone  
Don't think you'll care that I'm lonely

So I sit and get higher  
She just wanna rip up on my heart  
Steal my blood like a motherfucking vampire (aye)  
Baby tell my what you're mad for ahh  
She just needs some damn time  
I need it  
I don't know what person that you are  
So I keep all of my demons a secret  
I need rest, I need to get all these issues off my chest  
Baby tell me that you need me

Cuz I've been really getting high to hide the feeling  
That you hate me, I need to clean up my head  
Wish I could clean up the scars that you left  
But instead I'm stressed and messed up

I've been getting high, to hide my insecurities  
Know that it ain't right  
I need time, I need more than peace  
Yeah this time, I need you to be here for me  
Well that's right, Imma take your heart if its for me  
Yeah, too much shit on my chest  
Must confess, everyday I feel damn tired  
My heart is too damn cold on my own  
And you warmed my heart up like a campfire  
Baby tell me what you're sad for  
Think you need some damn time  
My hearts been lonely on the grind  
You just want money, girl that's fine

Uh, yeah my heart is on fire  
Why you say you love me, baby you're a liar  
She just wanted blood from me, vampire  
I don't think you really love me so

So I sit and get higher  
She just wanna rip up on my heart  
Steal my blood like a motherfucking vampire (aye)  
Baby tell my what you're mad for ahh  
She just needs some damn time  
I need it  
I don't know what person that you are  
So I keep all of my demons a secret  
I need rest, I need to get all these issues off my chest  
Baby tell me that you need me
