

# ADHD

Paris Hilton

Got on a plane, got in the car  
I'm so tired  
Live with the pain, live with my scars  
I'm so tired  
I wish I could sleep, I'm ADHD  
I'm so tired  
But this is all mine, this is all me  
Now I'm on fire

Sometimes I wanna fight it  
Sometimes I freeze, I fly, yeah  
Sometimes I can't deny it  
So I just keep on trying  
Sometimes I wanna crumble  
Sometimes I'm gonna stumble  
My mind is always running  
Sometimes I feel like crying

Now look at me, I'm the best I can be  
I was so down, thought I'd never be free  
My superpower was right inside, see  
It was ADHD  
I am so shy, I could never be me  
Look at me now as I laugh nervously  
My superpower was right inside, see  
So thank you to me  
Thank you to me  
Thank you to me  
My superpower was ADHD

Back on the road, up in the air  
I'm so tired  
Words in a book, so much to share  
Am I on fire?  
I'm a deer caught in the headlights  
Sometimes I freeze, sometimes I fight  
Tonight I fight

Sometimes I wanna fight it  
Sometimes I freeze, I fly, yeah  
Sometimes I can't deny it  
So I just keep on trying  
Sometimes I wanna crumble  
Sometimes I'm gonna stumble  
My mind is always running  
Sometimes I feel like crying

Now look at me, I'm the best I can be  
I was so down, thought I'd never be free  
My superpower was right inside, see  
It was ADHD  
I am so shy, I could never be me  
Look at me now as I laugh nervously  
My superpower was right inside, see  
So thank you to me

Be gracious, majestic, don't fake this, I'll smile, I can take it, I'll smile

e, I can take it  
Be gracious, majestic, don't fake this, I'll smile, I can take it, I'll smile,  
e, I can take it  
Be gracious, majestic, don't fake this, I'll smile, I can take it, I'll smile,  
e, I can take it  
Be gracious, majestic, don't fake this, I'll smile, I can take it, I'll smile,  
e, I can take it
