

Good evening, students, grab your hot girl Bibles
Turn to page 22
Let's begin

Step one, when you're getting ready, look hot
Step two, gotta catch a cab to the bar
Step three, get a drink with a cherry and tie it in a knot
Step four, dance your ass off

Welcome to the Bad Bitch Academy
Welcome to the Bad Bitch Academy

Step one, shake ass (Shake ass)
Post a video, make your ex-boo mad (Aw)
Lock eyes wit' him when you throw it back
He looked at his new girl and he got sad
I'm a feisty bitch, I'm a pricey bitch
I'm a hot girl, but I'm still an icy bitch
Face card never maxed, I'll swipe the bitch
And if I think she a chop, I won't hype the bitch

Bitch, I'm at a party takin' shots with the Hiltons
Hoes take shots and nobody ever hear it
Teardrop diamonds for them hoes in they feelings
Bitch, I get racks, all you hoes on clearance
Wh-when I tip, tell a bitch give a dance to me
When I trip, tell a bitch get a tan with me
If a bitch goin' live she a fan to me
Bitch, dance with me

Welcome to the Bad Bitch Academy
I'm a feisty bitch, I'm a pricey bitch
I'm a hot girl
Welcome to the Bad Bitch Academy

Step five, let him pay for your drinks
Step six, don't go home with no creeps
'Cause when it's 7:00 a.m., go home, go to sleep
Stick with your girls till we rinse and repeat
Rinse and repeat
Bitch, dance with me

Welcome to the Bad Bitch Academy
Welcome to the Bad Bitch Academy
Grab a seat, grab a seat
Welcome to the Bad Bitch Academy
Bitch, dance with me
Welcome to the Bad Bitch Academy
Grab a seat

Walk in strong like you own it
Bat your eyes, let him notice
Keep him guessing 'bout your motive
Make 'em fall in love
That's what a bad bitch does

Welcome to the Bad Bitch Academy

Welcome to the Bad Bitch Academy
Bitch, dance with me
Grab a seat, grab a seat
