

Chasin'

Paris Hilton

I'm done chasin' your love
I'm done chasin' your love
I'm done, I'm givin' up

You were my number one
I put you first, I gave you love
I gave you all my time (Mm), my energy
But all along, you lied to me

What are you afraid of?
Wasn't I good to you?
Don't I deserve the truth?
I'm just sayin'
What are you afraid of?
I would've died for you
I'm sayin' goodbye to you

'Cause I'm done chasin' your love
(I'm done) Chasin' your love
(I'm done) Chasin' your love
(I'm done) I'm givin' up
I'm done chasin' your love
(I'm done) Chasin' your love
(I'm done) Chasin' your love
(I'm done) I wasn't enough
So I'm givin' up

I know what I deserve and what I want
So If you hesitate, you ain't the one
I'm lookin' for affection, give me love
Your little sweet talk ain't enough
I want forever and always (Ooh)
And baby, you ain't my soulmate (Ooh)
I'm done playing your games, oh

What are you so afraid of?
Wasn't I good to you?
Don't I deserve the truth?
I'm just sayin'
What are you so afraid of? (Oh)
I would've died for you
Now I'm sayin' goodbye to you

'Cause I'm done chasin' your love
(I'm done) Chasin' your love (Hey)
(I'm done) Chasin' your love
(I'm done) I'm givin' up
I'm done chasin' your love
(I'm done) Chasin' your love
(I'm done) Chasin' your love
(I'm done) I wasn't enough
So I'm done chasin' your love

Wasn't I good to you?
Don't I deserve the truth?
I'm givin' up on you
'Cause I'm done chasin' your love

I was too good to you (Uh-huh)
I would have died for you (Uh-huh)
I'm sayin' goodbye to you (Uh-huh)
'Cause I'm done chasin' your love

(I'm done) Chasin' your love
(I'm done) Chasin' your love
(I'm done) I'm givin' up
'Cause I'm done chasin' your love
(I'm done) Chasin' your love
(I'm done) Chasin' your love (Oh, oh)
(I'm done) I wasn't enough
So I'm done chasin' your love

Wasn't I good to you? (Uh-huh)
Chasin' your love
Don't I deserve the truth?
Chasin' your love
I'm givin' up on you
I'm givin' up
'Cause I'm done chasin' your love
I was too good to you (Uh-huh)
Chasin' your love
I would have died for you (Uh-huh)
Chasin' your love (For you, yeah)
I'm sayin' goodbye to you (Uh-huh)
So I'm done chasin' your love
Chasin' your love
I'm done chasin' your love
I'm done chasin' your love
