

Ain't No High

Paris Texas

My brother has a better house than I do
Bigger yard and a swimming pool
My brother has a family of his own
They don't see him like they see me
Never been disowned

But ain't no high like this one
Ain't no high like this
Ain't no high like this one
Ain't no high like this
Ain't no high like this one
Ain't no high like this
Ain't no high like this one
Ain't no high like this

My sister, is given Risperidone for all of the feelings
That she can't, control my father didn't know
What to do, sitting there in the hospital
He bought, me there so she'd see my face
Then the next day, we brought her home
Ain't no high, like this one ain't no high like this
Ain't no high, like this one ain't no high like this

Ain't no high like this one
Ain't no high like this
Ain't no high like this one
Ain't no high like this
Ain't no high like this one
Ain't no high like this

I'm too OD, I need to chill
I'll never know, how cold that turkey feels
You saw me, cry and it wasn't for help this is
The best thing, that I've ever felt can't get it back
So how time, supposed to heal who can hurt me
More than I, hurt myself you can't hurt me more
Than I hurt myself, you can't hurt me more than
I've hurt myself
