AREA CODE

Paris Texas

I've been waiting for you to come to my room, my room
I've been waiting so long, I feel like I'm doomed, I'm doomed (For eternity)
(Hey)

310, my area code is not too far from your phone (Oh, woah)
310, just call my phone, wherever you feel alone (Oh, woah)
310, my area code is not too far from your phone (Oh, woah)
310, just call my phone wherever you feel alone (Oh, woah)

You've been on my mind all night, all night
You've been on my mind all night, all night
You've been on my mind all night, all night
(It's gotta mean somethin', don't leave me with nothin')
(It's gotta mean somethin')
You've been on my mind all night, all night
(It's gotta mean somethin', don't leave me with nothin')
(It's gotta mean somethin', don't leave me with nothin')
(Hey)

310, my area code is not too far from your phone
310, just call my phone, wherever you feel alone
310, my area code is not too far from your phone
310, just call my phone wherever you feel alone
