I never been on the block (No)
I used to stay in the house (Yes)

And all of my brothers is close
These bitches can't tell us apart (Yeah)

And I want a different account
(A different account, a different amount, I do)
In Switzerland next to the Alps
(Right next to the Alps, right next to the trees, I do)
My dick is a few miles long
For anyone running they mouth (Ayy)
At times I can seem like an asshole
I'm from the central of the south (South)
Grew up in a one story house (House)
But got too many stories to count (Count)
Someone said this would cost me my heart (Heart)
It's no wonder my chest feelin' light (Light)
Man I should be the new Tony Stark
Trust far as I can throw 'em
(Fuck that, fuck that, fuck that)
I threw out my arm (Ayy-ayy, ayy-ayy)
PSA for the team (Team, team)
No sleeping on the dream
'Til we see our face on silver screens
Running to the safe like baseball teams
Out of this world, call ICE (Ice)
I wanna put you out your misery
Shawty gimme brain, telepathy
Shoot my shot, oh my God all net deep threes
Paris Texas next best thing
Might get that tatted on my teeth (Woo)

I never been on the block (No)
I used to stay in the house (Yes)
I used to cum in a sock (Ew), ew
And all of my brothers is close
These bitches can't tell us apart
