

Rolling

Parker Millsap

You've got to roll with the punches
You've got to roll on a dime
You've got to roll if you're coming with me
Gotta roll out gotta be on time

We got to roll down the highway
Set the cruise control and watch the line
Don't watch the phone cause were going my way
Rolling on to a better time

So we got to roll all together
We got to roll if you like it or not
That heavy load would be a feather
If everybody give a little then nobody gotta give a lot

If you're gonna roll another number
You got to roll the windows down
Or maybe wait 'til we're in the country
We can't get caught in this little town

Sometimes you roll just like a boulder
Sometimes you roll like a stone instead
If you keep on rolling you're gonna get older
Roll long enough you roll over dead

So we got to roll all together
We got to roll if you like it or not
That heavy load would be a feather
If everybody give a little then nobody gotta give a lot
If everybody give a little then nobody gotta give a lot
