

Don't Drop the Acid

Parks, Squares and Alleys

Oh, please don't drop the acid on my head
Oh, please don't drop the acid I don't wanna be dead
Oh, please don't drop the acid I hope I'll be alright
Oh, please don't drop the acid I don't wanna be blind

Don't be stupid, I am sorry, I am sorry
Don't be stupid don't worry, don't worry
Don't be stupid I am sorry I am sorry
Don't be stupid don't worry

Oh, please don't drop the acid on my head
Oh, please don't drop the acid I don't wanna be dead
Oh, please don't drop the acid on my eyes
Oh, please don't drop the acid or I couldn't cry

Don't be stupid, I am sorry, I am sorry
Don't be stupid don't worry, don't worry
Don't be stupid I am sorry I am sorry
Don't be stupid don't worry
