

I'll be there

Parks, Squares and Alleys

I've gone to get you the moon
So don't feel sorry and take care
And when it lights up your room
Dispelling sorrow, I'll be there

I'll stay as long as you want
Forever and still yours
I'll stay as young as I was
Remembered in these walls

I might go astray
Despite the evident signs
Don't think I'm lost
Among the stars
And endless skies
In the middle of nowhere

I've gone to get you the moon
So don't feel sorry and take care
And when it lights up your room
Dispelling sorrow, I'll be there

I'll stay as long as you want
Forever and still yours
I'll stay as young as I was
Remembered in these walls

And if you're afraid
To let it go and forget
You can keep the letter under
The ivy tree
On the sunset
I'll be there anyway
