

Lucky 9

Parks, Squares and Alleys

The lucky nine
The lucky nine
It's devil's playing with your mind

The lucky nine
The lucky nine
It's devil's looking through your eyes

Whatever happens to me
Leave it hanging on the tree
Whatever happens
Just leave it or hang me
Just leave it or hang me
Just leave it or hang me
Just leave it or hang me
Just leave it or hang me

It's everything that I need
It won't last forever
I just want you to leave
Leave it on for heaven

It's everything that I need
It won't last forever
I just want you to leave
Leave it on for heaven

Leave it on for heaven
Leave it on for heaven
Leave it on for heaven
Leave it on for heaven
