

## TS (Technologies Sucks)

### Parks, Squares and Alleys

Yeah honey I am ready  
I want to destroy  
This car on a boulevard  
Come on girls and boys

Do you like your player  
You keep it in pants  
Do you like it bigger  
Than parents and friends

Technologies sucks  
Your TV and computer is fucking drugs

Do you like your player  
You keep it in pants  
Do you like it bigger  
Than parents and friends

Technologies sucks  
Your TV and computer is fucking drugs
