Let me be, let me be Let me have my privacy Let me be, hush, don't speak Now, silently I don't want to hear your voice I don't want to see your face I don't want to have no choice In my mind, I want no haze In a chair, in a chair In a chair by the window Let the sky be my sky Let the moon be my halo Let me love you upon a canopy Let me love you upon a flower Let me love you upon a canopy Let me love you by the hour Let me be, let me be Let me have my privacy Let me be, hush, don't speak Now silently I don't want to hear your voice I don't want to see your face I don't want to have no choice In my mind, I want no haze In a chair, Lord, in a chair In a chair by the window Let the sky be my sky Let the moon be my halo Let me love you upon a canopy Let me love you on a flower Let me love you upon a canopy Let me love you by the hour Let me be, said I do not care where I am Please don't let the people find me I don't want to be there All I need, all I need, all I need is some air, yeah Hey, see me by that old Dirty funky window Watching on people Peeping on me Lord, got to get away Said, I've got to get some place Where I can be free right now I need, I need, I got to be free
