

Liquid Sunshine

Parliament

It's just a sunshine song and it won't take long to play for you
(It's just a sunshine song)
It's just a sunshine song and won't take long to lay on you
It's just a sunshine song, a fun shine song we'll play for you (liquid sunshine)
(And I think I played it right, yeah)

It's just a sunshine song to take you home, we'll play for you (liquid sunshine)
(It's just a sun-shine song)
It's just a sunshine song, loud and strong to lay on you
It's just a sunshine song, all day long, the whole day through (liquid sunshine)

(Could've partied down all night, yeah, ah whoo!)

(Stroll right up to the fish scope[?])

(Don't end them party light[?])

(Load right up your fish pole[?])

My bop gun and my flashlight

It's just a sunshine song it won't take long to play for you (sunshine song)
(It's just a sun-shine song)
It's just a sunshine song it won't take long to lay on you (loud and strong)
It's just a sunshine song, a fun shine song we'll play for you (liquid sunshine)
(Could've partied down all night, yeah, ah whoo!)
