It's just a sunshine song and it won't take long to play for you
(It's just a sunshine song)
It's just a sunshine song and won't take long to lay on you
It's just a sunshine song, a fun shine song we'll play for you (liquid sunsh
ine)
(And I think I played it right, yeah)
It's just a sunshine song to take you home, we'll play for you (liquid fun s
hine)
(It's just a sun-shine song)
It's just a sunshine song, loud and strong to lay on you
It's just a sunshine song, all day long, the whole day through (liquid fun s
hine)
(Could've partied down all night, yeah, ah whoo!)
(Stroll right up to the fish scope[?])
(Don't end them party light[?])
(Load right up your fish pole[?])
My bop gun and my flashlight
It's just a sunshine song it won't take long to play for you (sunshine song)
