

# One and Only

Parokya Ni Edgar

It took one look  
Then forever laid out in front of me  
One smile then I died  
Only to be revived by you

There I was  
Thought I had everything figured out  
Goes to show just how much I know  
'bout the way life plays out...

I take one step away  
then I find myself coming back to you  
My one and only, one and only you...ooh...

Now I know  
That I know not a thing at all

Except the fact that I am yours  
And that you are mine

Ooh,  
They told me that this wouldn't be easy  
And no  
I'm not one to complain...

I take one step away  
then I find myself coming back to you  
My one and only, one and only  
I take one step away  
then I find myself coming back to you  
My one and only, one and only  
you...
