

# Drum

Parov Stelar

Drum-dum-da-da-dum-dum, drum-dum-da-da-dum  
Drum-dum-da-da-dum-dum, drum-dum-da-da-dum

I met a girl, one of a kind  
They turn their heads, but, yeah, she don't mind  
She never fit in with the crowd  
'Cause she's too good at standing out

There she goes, there she goes like it's easy  
Yeah, she knows in her bones what she wants  
She don't care if they stare, let 'em see it  
When she's dancing to her own drum

Drum-dum-da-da-dum-dum, drum-dum-da-da-dum  
Drum-dum-da-da-dum-dum, drum-dum-da-da-dum

Drum-dum-da-da-dum-dum, drum-dum-da-da-dum  
Drum-dum-da-da-dum-dum, drum-dum-da-da-dum  
Drum-dum-da-da-dum-dum, drum-dum-da-da-dum  
Drum-dum-da-da-dum-dum, drum-dum-da-da-dum

There she goes, there she goes like it's easy  
Yeah, she knows in her bones what she wants  
She don't care if they stare, let 'em see it  
When she's dancing to her own drum

And when you think she's out of tune  
Maybe her song's just, just not for you  
She's so unique, a little strange  
She's beautiful in her own way

There she goes, there she goes like it's easy  
Yeah, she knows in her bones what she wants  
She don't care if they stare, let 'em see it  
When she's dancing to her own drum

Drum-dum-da-da-dum-dum, drum-dum-da-da-dum  
Drum-dum-da-da-dum-dum, drum-dum-da-da-dum  
Drum-dum-da-da-dum-dum, drum-dum-da-da-dum  
Drum-dum-da-da-dum-dum, drum-dum-da-da-dum

Drum-dum-da-da-dum-dum, drum-dum-da-da-dum  
Drum-dum-da-da-dum-dum, drum-dum-da-da-dum  
Drum-dum-da-da-dum-dum, drum-dum-da-da-dum  
Drum-dum-da-da-dum-dum, drum-dum-da-da-dum

There she goes, there she goes like it's easy  
Yeah, she knows in her bones what she wants  
She don't care if they stare, let 'em see it  
When she's dancing to her own drum

Drum-dum-da-da-dum-dum, drum-dum-da-da-dum  
Drum-dum-da-da-dum-dum, drum-dum-da-da-dum
