Step Two

Parov Stelar

Beat step up to
The beat got me up
So beat step up, beat step up
To the moon oh

Beat step up to
The beat got me up
So beat step up, beat step up
To the moon oh

Girl likes to go
To the sound of the dirty quake
And boys train their necks
Trying to wash away her booty shakes

Ain't no way, shake the room
Like an earthquake
Girl stands dirty as the speaker stacks vibrate

Ain't no way, shake the room

Like an earthquake
Girl stands dirty as the speaker stacks vibrate

Beat step up to
The beat got me up
So beat step up, beat step up
To the moon oh

Beat step up to
The beat got me up
So beat step up, beat step up
To the moon oh

Girl likes to go
To the sound of the dirty quake
And boys train their necks
Trying to wash away her booty shakes

Ain't no way, shake the room
Like an earthquake
Girl stands dirty as the speaker stacks vibrate

Ain't no way, shake the room
Like an earthquake
Like an earthquake
Girl stands dirty as the speaker stacks vibrate
Stacks vibrate
Stacks vibrate
Stacks vibrate
Stacks vibrate

Beat step up to
The beat got me up
So beat step up, beat step up
To the moon oh

Beat step up to
The beat got me up
So beat step up, beat step up
To the moon oh

Girl likes to go
To the sound of the dirty quake
And boys train their necks
Trying to wash away her booty shakes

Ain't no way, shake the room
Like an earthquake
Girl stands dirty as the speaker stacks vibrate

Ain't no way, shake the room
Like an earthquake
Like an earthquake
Girl stands dirty as the speaker stacks vibrate
