Light Up Gold II

Parquet Courts

Twice in.. comes knocking on my door She's spinning in a... fashion gazing before Sparkling recognition is to threw the dice first but I don't think of something Where is the curse because

Chorus: Light up gold was the colour of something I Was looking for Light up gold was the colour of something I Was looking for

Steady was the pace that we're not doing this way Sitting like a miner in the consciousness to breath ..in the rivers from a.. field Trying over something warm and real because

Chorus: Light up gold was the colour of something I Was looking for Light up gold was the colour of something I Was looking for Yeah light up gold was the colour of something I Was looking for Light up gold was the colour of something I Was looking for
