

## How Do You Break A Robot's Heart?

Parralox

The purpose, the first law  
Do no harm to others  
You made me corrupted  
I'm helpless  
Disrupted

How do you break a robots heart?  
Please tell me right now, before we start!

I'm waiting for orders  
And testing the waters  
I don't need a reason  
I love you  
I have to

I'm trying to live life  
I'm different, I don't fight  
The conflict inside me  
Protects you  
And hurts me
