Celery stick, nice and quick  
So delicious, no dirty dishes  
With peanut butter or caviar  
You're nature's green candy bar

No, you can't go wrong  
Celebrating celery  
Spicy and crunchy  
Breakfasty or lunchy  
Covered in hummus  
Yummus in the tummus

If you wanna be friends with me  
You gotta be down with celery  
It's a natural spoon for eating cheese
