Parry Gripp

- "You are-"
- "You are- uh- you are...what's the word? uh-"
- "It's uh...hello"

You're so nice. [x3]

You remembered my birthday.

You bought me a donut. ("Aww, that says it right there.")

You're so nice. ("You nice person, you." "Thank you.")

You're so nice.

I'm so glad you love me. ("We do! Awww.")

You said it with a donut. ("Aww. That's it. That's sweet.")

You're so nice. ("Yes you are, you're so sweet.")
