

You're A Monkey

Parry Gripp

You're a monkey
You swing from a vine
You're a monkey
Say, now you're looking fine
You're a monkey
You're a fun lovin' fellow
You're a monkey
Your banana is yellow

You're a monkey
Like a hairy little man
You're a monkey
You've got a thumb on your hand
You're a monkey
Lift it up in the tree
You've got a tail on your bottom and it's ticklin' me!

You're a monkey (Eh, eh, eh, eh, eh, eh, eh, eh, eh, eh)
You're a monkey (Eh, eh, eh, eh, eh, eh, eh, eh, eh, eh)
You're a monkey (Eh, eh, eh, eh, eh, eh, eh, eh, eh, eh)
Awww, monkey
