Religion

Parson James

Reach out for my cross
And then I reach for the bottle
Hope I don't get lost
But ain't no time for tomorrow

You know what's best for me
Baby come pray for me
Oh...

I'll be your saint, be your sinner
I'll do anything just to get wit ya
You can take, I'm your giver
I'll do anything, just to get wit ya
Heaven or hell can take my soul
And for you I'd lose it all
I'll be your saint, be your sinner
I'll do anything, anything...
For your religion

Kneel down, load my gun
Break my bread at the alter
Your red wine fills my cup
I wash it down like water

You know what's best for me
Baby come pray for me
Oh...

I'll be your saint, be your sinner
I'll do anything just to get wit ya
You can take, I'm your giver
I'll do anything, just to get wit ya
Heaven or hell can take my soul
And for you I'd lose it all
I'll be your saint, be your sinner
I'll do anything, anything...
For your religion

If you lay me down to sleep, I
I'll give ya my soul to keep, and
If I die before I wake, I
I'll give ya my soul to keep, ahh
If you lay me down to sleep, I
I'll give ya my soul to keep, and
If I die before I wake...

I'll be your saint, be your sinner
I'll do anything just to get wit ya
You can take, I'm your giver
I'll do anything, just to get wit ya
Heaven or hell can take my soul
And for you I'd lose it all
I'll be your saint, be your sinner
I'll do anything, anything...
For your religion
For your religion
