

ALIEN PARTY

Party Favor

This time around, I found my calling
Wanna see you break it down
Wanna see you get naughty
This is not the end
We just getting started
Better bring all of your friends let's have an alien party

Yeah I got two cups full, I'm drunk can't stop me
Boutta' lose my soul tonight at the party
Might be too fucked up to care no more
I think I'm too fucked up to care no more

Yeah, yeah
Let's have an alien party
