

Hollow

Party Favor

I don't take too much time for myself
Never been one to ask for help
I've been spending too much time in my mind, my mind
Up all night eating me alive
Nothing go to waste except my time
Nobody but me myself and I

Can get me high, I've been low
About now, I should know

I don't wanna be, I don't wanna be hollow
That's a bitter pill, bitter pill to swallow
I don't wanna be, I don't wanna be hollow
Hollow
I don't wanna be, I don't wanna be hollow
That's a bitter pill, bitter pill to swallow
I don't wanna be, I don't wanna be hollow
Hollow

I don't wanna be, I don't wanna be hollow
Hollow

Get me high, I've been low
About now, I should know

I don't wanna be, I don't wanna be hollow
That's a bitter pill, bitter pill to swallow
I don't wanna be, I don't wanna be hollow
Hollow
I don't wanna be, I don't wanna be hollow
That's a bitter pill, bitter pill to swallow
I don't wanna be, I don't wanna be hollow
Hollow

I don't wanna be, I don't wanna be hollow
I don't wanna be hollow

Hollow
Hollow
Hollow
I don't wanna be, I don't wanna be hollow

I don't wanna be
I don't wanna be, I don't wanna be hollow
I don't wanna be
I don't wanna be, I don't wanna be hollow
