

I See You

Party Favor

I can see you hide in the darkness
I can see you shine in the light
Nobody in here even knows you
They just wanna steal all your pride

Maybe we can stop with the motions
If there's something deeper to feel
If I promise you my devotion
I just wanna know that it's real

Under sweet surrender
And never less than high
Want you to stay forever
Just put your hand in mine
We're rich and broken, baby
Just like we want to be
We'll let the world go crazy
Long as you stay with me

And I see you
Like a person losing yourself to the night
I'll see you
Under the surface when I look deep in your eyes
I see you
Like a person losing yourself to the night
I'll see you
Under the surface when I look deep in your eyes
I see you

Morning never comes in a dungeon
Ain't no need to open your eyes
We can just get lost in the moment
You can put away your disguise

Under sweet surrender
And never less than high
Want you to stay forever
Just put your hand in mine
We're rich and broken, baby
Just like we want to be
We'll let the world go crazy
Long as you stay with me

And I see you
Like a person losing yourself to the night
I'll see you
Under the surface when I look deep in your eyes
I see you
Like a person losing yourself to the night
I'll see you
Under the surface when I look deep in your eyes
I see you

And I see you
And I see you
