

Cheers

PARTYNEXTDOOR

Cheers when we drink
Oh, yeah
Cheers when we drunk
Oh, yeah
Cheers make me numb
Oh, yeah
Oh, yeah, yeah
Love hanging out
Oh, yeah
Hate hanging up
Whoa
Don't say it until you mean it

Watch, I'll run through a quarter milli' wit'cha baby
We hit the strip club, we going crazy
I'ma talk to you nice, I'ma treat you like a lady
'Fore we get in the car, I'm pulling on your lace wig while you give me top
Don't stop, oh girl, it's always fun wit'cha
You're love when whatever, it's whatever when you need it, period
Like signing off, I'll be your little secret
I'm never too far
Pushing the bar twice as far
When I'm what you need, you ain't gotta work as hard
It won't take much to make you mine
But for now, I'm saying

Cheers when we drink
Oh, yeah
Cheers when we drunk
Oh, yeah
Cheers make me numb
Oh, yeah
Oh, yeah, yeah
Love hanging out
Oh, yeah
Hate hanging up
Whoa
Don't say it until you mean it

Let's take another shot, then we out of the party
Let's take it up the block, I ain't gon' tell nobody
What we doing? Where we going? What type time that we on tonight?

Let's take a trip, a trip to Italy
Bust down that watch, and now you're kissing me
Talk about my past, I ain't even wanna talk about that last
Tamia, Tamia, officially missin' me
She feel like Beyoncé when she wears Tiffany
I'on even wanna talk about the past
I wanna talk about the times that's gon' forever last
I'm sayin'

Cheers when we drink
Oh, yeah
Cheers when we drunk
Oh, yeah
Cheers make me numb

Oh, yeah
Oh, yeah, yeah
Love hanging out
Oh, yeah
Hate hanging up
Whoa
Don't say it until you mean it
