The way I feel right now, I feel like we need to be all alone  
So if you just playin' around, you need to tell your girl, "Take your fine a  
ss home," and that's real  
Stop teasin' me, yeah, what? Stop teasin' me  
I could change your life so easily  
I keep beggin' you to stay, but you're leavin' me  
Leavin' me, we got sticks in the club illegally  
Got the whole 6ix side, they believe in me  
We got members east of the DVP  
We got members west on the 401  
We had a lock on the game, but it's more to come  
You gotta pop that ass 'til the morning come  
You want shots for the girls? Then order some

Is that your bestie?  
I'ma ice both of y'all like Gretzky  
I'ma at you like bless me  
Hit the dance floor, get nasty, impress me

I just heard about the things that you do, my love  
And you're just like me, if it's true, my love, ayy  
You could see right through my love, ayy

You got some bass in the trunk, my love, damn  
How many hoes in this club?

You ever been down to Memphis, Tennessee, my love? Uh  
I ain't sayin' I agree, my love  
I'm just tellin' you the things I seen, my love  
I got drinks, jokes, sex, and cash  
Those are four things I can guarantee, my love, ayy
