

# On Top Of The World

PARTYNEXTDOOR

Baby when I'm right under your body  
Baby when I'm right under your body  
Take 5  
Baby when I'm right under your body

Have you ever seen a mountain?  
Shorty I'ma show you one  
Have you ever seen a bird fly?  
Flying through the sun  
Have you ever seen rain drops, fall from the sky?  
Have you ever seen love grow, grow through your eyes?

Tonight we'll go  
Right onto the mountain top girl  
And I will show  
You everything girl just don't stop  
Cause I likey likey like it  
I likey likey like it  
When I eat you up in my bed  
When I eat you up in my bed

Baby when I'm right under your body  
I feel like I'm on top of the world  
I don't wanna be disturbed by anybody  
When I'm making love with my girl  
When I'm making love with my girl  
When I'm making love on top of the world  
The world

When I'm making love on top of the world  
The world
