

Rendezvous

PARTYNEXTDOOR

Hey there lady
Come and tell me something, say something (yeah)
Is it something or nothing, yeah
You going back and forth, back and forth, back and forth
I don't know what you want, yeah (no more)

I know you're used to him
But you really want something real
Someone to keep up with you, baby
Keep up with you, yeah, yeah
Put a range out, it's your pain now
Dealing with fame now
'Cause your sweet like sugar-sugar cane now
Bitch, dat bitch, dat bitch, she poppin'
How many times did I get you wet
The night I pulled up to the dock, yeah
And dive in
Had to pull you to the side and tell your friends to chime in
You said you was joking

But I could tell you want my baby (baby)
Yeah, yeah, girl I'm older than you
You cannot play me, you a baby
I'm not fooled by the money that you got (got)
You're still Jenny from the mothafuckin' block (block)
Baby yeah, yeah, you got money I got money too
Just let me know what you wanna do

Hey there lady
Come and tell me something, say something (yeah)
Is it something or nothing, yeah
You going back and forth, back and forth, back and forth
I don't know what you want, yeah

Nike, Nike, I'm done checkin' on you
Three stripes I got two up on you
Girl you know what I wanna do
I wanna rendez-rendezvous, I got too much to lose
You might disagree, that's your point of view
I ain't tryna find love, I'm tryna find the truth
I ain't tryna do nothin' but have fun with you
Secret, I'ma keep it, all day, all day
Slow jams, you look [?] shawty

Oh but I could tell you want my baby (baby)
Yeah, yeah, girl I'm older than you
You cannot play me, you a baby
I'm not fooled by the money that you got (got)
You're still Jenny from the mothafuckin' block (block)
Baby yeah, yeah, you got money I got money too
Just let me know what you wanna do

Hey there lady
Come and tell me something, say something (yeah)
Is it something or nothing, yeah
You going back and forth, back and forth, back and forth
I don't know what you want, yeah
