And I'm down for a few  
I am Hilary clinton  
And I'm Monica too

Brought my sister and my crew  
We just pulled in that ghost  
We just pulled up in that (Boo)  
Perfect timing I know  
He don't know what I been through  
I'm too high and I'm drunk  
To try and act like I know you  
I am sorry but I'm focused on my babe
