PARTYNEXTDOOR

Babe, I'm so ready to fall in love [uh-huh, yeah]
And babe, you still stuck on his friends or not?
Oh no

Girl if I am the one to make the wind decay
And if I am the one to scare the clouds away
Why... would you say no?
And if I am the one to make you laugh a lot
And if I am the one to [?]
Would you say no?

Girl, when you're ready
I'll be ready
Girl get ready
To fall in love

When you're ready
I'll be ready
Girl get ready
To fall in love

Are you ready for the lovin that I'm givin baby?
Are you ready for the lovin that I got baby?
I luh you baby
I want you baby
To be my baby

Are you ready for the lovin that I'm leavin baby?
Are you ready for the lovin that I got baby?
I luh you baby
I want you baby
To be my baby

I want you to know
How much I care for you
I want you to know
How much I'd give
How much I'd give for you baby
You can hear my heart crying
Crying out
Crying out for you
