

Up From Here

PARTYNEXTDOOR

Yeah [x3]
There's no where to go but
Up from here [x3]

Tell me why [x3]
I mess up
You mess up
But we still try
Cause if I'm your nigga
And your my nigga
Then baby it shouldn't matter at all

Tell me how [x3]
We fuck up
And we still fucking together
Cause if I'm your nigga
And your my nigga
Then baby it shouldn't matter at all

Some say I'm different
But I'm just in love
And were going to make it
All the way up [x2]

Cause there is no where to go but
Up from here [x3]
And were going
No where [x3]
But
Up from here [x3]

Tell me when [x3]
We give up and I stick through till the end
Cause if I'm your nigga
And your my nigga
Then baby it shouldn't happen at all

Tell me where [x3]

Didn't expect you not to care
Cause if I'm your nigga
And your my nigga
Then baby it shouldn't happen at all

Some say I'm different but I'm just in love
And were going to make it
All the way up [x2]

There is no where to go but
Up from here [x3]
And were going
No where [x3]
Up from here [x3]
