

Scared to Fly

Passenger

Well nothings going to change why you standing still
Nothing ever did nothing ever will
You're never gonna know if you don't ask why
You'll never get to Heaven if you're scared to fly

But if you close your eyes you may see
And if you just let go you'll be free

For nothing begins while you're holding your breath
You're never gonna swim with a weight on your chest
No, nothing ever came from waiting in line
No, Heaven never waited for the perfect time

But if you close your eyes you may see
And if you just let go you'd be free
And if you hear your heart
Listen to the wind in the trees

Singing ooooooooh
Oooh-ooh-ooooh
Ooooooooh
Oooh-ooh-ooooh
Ooooooooh
Oooh-ooh-ooooh
