

Sometimes It's Something, Sometimes It's Nothing at All

Passenger

Maybe we'll sleep here
Covered in star shine
Out on the ocean
Wrapped up in nighttime song
Hear the tide rise and fall
Well sometimes it's something
Sometimes it's nothing at all

Perhaps we'll wake here
Soaking in sunshine
Dancing on the ocean
And drinking the morning down
Hear the birds cry and call
Well sometimes it's something
Sometimes it's nothing at all

Oh sometimes it's something
Sometimes it's nothing at all
Yeah sometimes it's something
Sometimes it's nothing at all
