

# Survivors

Passenger

Oh life  
Is just a game  
No one ever tells you how to play  
See different people  
Go different ways  
Some of them will leave you but  
Some of them will stay

Well our hearts keep drumming  
And the years keep coming  
Quicker than they've ever been  
You're sick of the same thing  
But it's quicker than changing  
It's too late to begin

Well everybody's running but  
You don't know where  
Time is running thin  
Everybody's looking for somebody to love  
But we're scared to let them in

And I say oh oh oh  
Are there any survivors?  
Am I here alone?  
I say oh oh oh  
Are there any survivors?  
Am I here alone?  
Am I on my own?  
Am I on my own?

Oh love  
It comes and goes  
But no one never tells you how to learn to let go  
Different people, they walk different roads  
Some of them will hurt you but  
Some of them won't

Well the bridge is burning  
And the wheel keeps turning  
Quicker than it did before  
Your heart screams "yes"  
Your head says "no"  
And you're never really sure

Well everybody's running but  
You don't know why  
Time is running short  
Everybody's looking for a place to hide  
There's no one left at all

And I say oh oh oh  
Are there any survivors?  
Am I here alone?  
I say oh oh oh  
Are there any survivors?  
Am I here alone?

Am I here alone? oh oh oh  
Am I here alone? oh oh oh
