

# Wild Love

Passenger

Well this love is a wild fire  
Burning in my heart  
Raging like a fever  
In my soul  
This love is a wild horse  
Running through the dark  
No one's gonna tell her where to go  
This love is a wild flower that grows  
Out there in the snow  
This I know

I can't lose this now  
So I have to let it win  
I can't let this go  
I have to let it in  
I can't take it slow  
Though I know it is a sin  
I can't walk away  
From this wild love I'm in

Well this love a wild wind  
It's howling through the trees  
Rattling the rooftops of this town  
Yeah this love is a wild sea  
And it's breaking on the beach  
It's taken many a sailor down  
Oh this love is wild beast that roars  
When he's in pain  
And I'm the same

I can't lose this now  
So I have to let it win  
I can't let this go  
I have to let it in  
I can't take it slow  
Though I know it is a sin  
I can't walk away  
From this wild love I'm in

I can't lose this now  
So I have to let it win  
I can't let this go  
I have to let it in  
I can't take it slow  
Though I know it is a sin  
I can't walk away  
From this wild love I'm in

North London forever  
Whatever the weather  
These streets are our own  
And my heart will leave you never  
My blood will forever  
Run through the stone
