

Hey K

Passion Pit

He will love you, you
He will love you

Hey K, I'm fine
Just tell him what you need
You can run, I'll hide
Still we end up on our knees
K, I swear, just try
And tell him what you need
Feel him emanate around you
And never again feel weak

He will love you till the end of time
Until the end of time
A beautiful design, ridding all of your pain in a landslide
A beautiful design

Hey K, in time
We'll mend and then agree
That our love's just light
And it pours down such relief
When you grieve, you'll find a gorgeous melody
In the harmony that holds you and forces you to see that

He will love you till the end of time
Until the end of time
A beautiful design, ridding all of your pain in a landslide
A beautiful design

A beautiful design...

He will love you till the end of time
Until the end of time
A beautiful design, ridding all of your pain in a landslide
A beautiful design

Love is the answer and the one design
Such a simple design, holy architecture
Love is the answer
Love is the answer

Love is the answer
And the one design
Such a simple design
Holy architecture
Love is the answer
Mmm, love is the answer
