

Are you and me  
Reality or fantasy?  
(Do I know what's real?)

Feelings fade  
And I'm so scared  
You'll go away  
(I don't want you to)

This will end  
I can't pretend  
That I don't care  
(I want this forever)

Go to sleep  
And promise me  
You'll never leave  
(So endless)

(So endless)  
(So endless)  
(So endless)
