

It's been you and me forever
How was I supposed to know?
We were innocent and tender
I don't want to be alone

Everything is an illusion
Tell me what it means to love
Is there any resolution?
Could he truly be the one?

(I don't want to be without you
Am I meant to be alone?
Do you want to be without me?
Do you want to be alone?)

Forever
Forever
(I don't want to be without you)
Forever
Ahh
(Do you want to be alone?)

Forever
Forever
(I don't want to be without you)
Forever
Ahh
(Do you want to be alone?)

(It's been you and me
I don't want to be alone
Want to be alone
It's been you and me
I don't want to be alone
Want to be alone)

(It's been you and me
I don't want to be alone
Want to be alone
It's been you and me
I don't want to be alone
Want to be alone)
