Iris

Pastel Ghost

I'd like to know you
But I don't want to
Scared of revealing
The image is peeling

I've tried to fight this
But you are my weakness
This world is restricting
You mean everything

(Dream about you
Dream about you
Dream about you
Dream about you)

I see you so clearly
I want you completely
I'd do anything
To have you near me

Forget the future
Can we get closer
Pull back your eyelids
I'm lost in your iris

(Dream about you
Dream about you
Dream about you
Dream about you)
