

Better

Pat Barrett

All the money that the world could hold
Mountains made of solid gold
Riches that could buy my dreams
You are better than all these things

The prettiest face to turn their eyes
Beauty that could hypnotize
The open doors that looks may bring
You are better than all these things

Your love is better than life
You are the well that won't run dry
I have tasted and I have seen
Oh, You are better than all these things

Power that could shake the moon
Most important one in every room
Status matched by only kings
You are better than all these things

Your love is better than life
You are the well that won't run dry
I have tasted and I have seen
You are better than all these things
Oh, Your love is better than life
You are the well that won't run dry
I have tasted and I have seen
You are better than all these things

Being liked and loved by everyone
Approval that outshines the sun
Cheered by all who think of me
You are better than all these things
You are better than all these things

You are better, oh, You're better
I have tasted and I have seen
You are better than all these things
Oh, Your love is better than life
You are the well that never runs dry
I have tasted and I have seen
You are better than all these things
You are better than all these things

Oh, I know You are better than all these things
I know You are better than all these things
I know You are better than all these things
You are better than I can imagine
Better than I can imagine, over, above what I seek
Better than I can imagine, Your love for me
Better than I can imagine, over, above what I seek in life
You are better than all these things
Woah, I know You are better than all these things
Woah, I know You are better than all these things
Better than I can imagine
