

# Knowing You

Pat Barrett

I was made for You  
To love and be loved by You  
All of my life will be  
An offering  
Oh I, I was made for You

Knowing You  
Knowing You  
I found my reason for living  
And, Jesus, it's knowing You  
Loving You  
Loving You  
I found my reason for breathing  
And, Jesus, it's loving You

I was made for You  
To hear and obey Your voice  
There's life in the words You speak  
Your servant is listening  
Oh, I was made for You

I was made for You

Knowing You  
Knowing You  
I found my reason for living  
And, Jesus, it's knowing You  
Loving You  
Loving You  
I found my reason for breathing  
And, Jesus, it's loving You

Oh, knowing You  
Oh, knowing You  
I found my reason for living  
And, Jesus, it's knowing You  
Oh, loving You  
Oh, loving You  
I found my reason for breathing  
And, Jesus, it's loving You

We, we were made for You  
To worship and bless Your name  
To sing of our risen hope  
Until the whole world knows  
Oh, we, we were made for You

Knowing You  
Knowing You  
I found my reason for living  
And, Jesus, it's knowing You  
Loving You  
Oh, loving You  
I found my reason for breathing  
And, Jesus, it's loving You

I was made for You

To know You  
To know You  
And be known by You
