Loved

Pat Barrett

I've never known a love like this before
Never thought that I could be so sure
Not a fear or anxious thought
Is enough to change Your heart

I am loved
I am loved
And there's nothing I can do to change Your mind
I am loved
And it's more than every joy I've felt combined
No greater treasure
Than knowing I am Yours and You are mine
I am loved
And I've never been this free in all my life

Before my life began You knew my name
And You're with me every step along the way
You're my refuge and my home
You're the place where I belong

I am loved
I am loved
And there's nothing I can do to change Your mind
I am loved
And it's more than every joy I've felt combined
No greater treasure
Than knowing I am Yours and You are mine
I am loved
And I've never been this free in all my life

I've never been this free
Oh I've never been this free in all my life (I've never been this free yeah)
I've never been this free, free

Before I said anything
Before I did anything
Before I knew anything
I was loved by You, yes our Lord

Before I said anything (Before I said anything)
Before I did anything (Before I did anything)
Before I knew anything
I was loved, I was loved by You, my Lord

I am loved
And there's nothing I can do to change Your mind
I am loved
And it's more than every joy I've felt combined
No greater treasure
Than knowing I am Yours and You are mine
I am loved
And I've never been this free in all my life

Before I said anything (Before I said anything)
Before I did anything (Before I did anything)
Before I knew anything
I was loved by You, yes I was

Before I said anything (Before I said anything)
Before I did anything
Before I knew anything
I was loved by You

I was loved by You
And You loved me too
Too much to leave me where You found me, yeah

I've got everything I need 'cause I'm loved by You
(I've got everything, everything, everything I need)
Everything I need, everything I need
Love, joy, peace, I'm free
Love, joy, peace, I'm free
Love, joy, peace, I'm free
I'm free, I'm free, I'm free, yeah
Who the Son sets free, oh, they're free indeed
