

Prayer For Today

Pat Barrett

Keep my heart tied to Yours
First love's flame burn bright and pure

Heart of Christ
Here today
"Be with me," I pray

All of my life, all for Your glory
All of my days, an offering to You
With my heart and my mind
With my soul and my strength
Everything I am belongs to You
Everything I am belongs to You

Set my mind on things above
Every thought with grace and love

Mind of Christ
Here today
"Be with me," I pray

All of my life, all for Your glory
All of my days, an offering to You
With my heart and my mind
With my soul and my strength
Everything I am belongs to You
Everything I am belongs to You

Use these hands as You will
Keep them clean to serve and heal

Hands of Christ
Reach and save
"Be with me," I pray
"Oh, be with me," I pray

All of my life, all for Your glory
All of my days, an offering to You
With my heart and my mind
With my soul and my strength
Everything I am belongs to You
Oh. Everything I am belongs to You
